Dear Mr. O'Sullivan:

I received your letter dated March 3, 2014 regarding the concerns of the Miracle Mile Residential Association (MMRA) regarding the requests of the Metropolitan Transportation Authority (Metro) for nighttime and weekend construction of the Purple Line Extension.

Three requests were received from Metro dated January 10, 2014 for nighttime and weekend construction for the La Brea Station Area, Western Station Area and Fairfax Station Area beginning in August 2014.

Our staff has not begun our investigation as of this date since we have been advised by Metro that they are not ready to proceed, however we have met with Metro and directed that they perform significant community outreach when they are prepared to do so which our staff will also attend. As a part of our investigation and outreach our staff will be contacting the MMRA to obtain your input and concerns relative to the potential impacts of nighttime and weekend construction.

I appreciate you bringing your concerns to my attention. Those concerns and others that may come to our attention during this project will be considered as our office
