Miracle Mile resident,

Crime continues to be on the rise throughout Los Angeles and in your community. As a result, your neighbors in Miracle Mile are proactively working together to support an armed patrol presence in Miracle Mile to help mitigate criminal activity from occurring in the future.

ACS, with over 50 current patrol subscribers within Miracle Mile, will begin an 8-hour armed patrol dedicated to Miracle Mile starting Monday, March 26th 2018.

For every 100 subscribers, ACS will add an additional 8-hour patrol shift. The mission is to get 300 Miracle Mile homes to support a 24/7 dedicated armed patrol.

ACS has been servicing LA for over 35 years, and is the only company in LA that offers alarm monitoring and armed patrol services under one roof locally. ACS services over 17,000 residents and 40 neighborhoods in Los Angeles, including: Bel Air, Brentwood Park, Palisades Highlands, Los Feliz Hills, Beverlywood, Carthay Circle, Carthay Square, and South Carthay.

All of ACS patrol officers are armed, licensed and bonded through the federal, state, and DOJ and go through extensive screening and training.

ACS Armed Patrol (\$50.00/month) per home covers:

- **Alarm Response:** Response to your alarm within minutes by our armed officers.
- **Vacation Watch:** Patrol will pick up mail, newspapers, etc., while you're away.
- **Escort Service:** Patrol will escort you home if you feel like you are being followed.
- **24/7 Direct Assistance:** Allows you to be proactive in reporting any suspicious activity.

ACS is a one-stop shop for all security needs. Regarding our alarm monitoring service, ACS can monitor existing alarm systems, install new systems or upgrade outdated ones, install Ring doorbell cameras, CCTV cameras, etc.

Alarm monitoring starts at \$43.00/month and is independent of the armed patrol service. It is not required to switch to ACS for alarm monitoring for ACS patrol to respond to your existing alarm monitoring provider.
